THE SENIOR CLASS OF NORTHWESTERN HIGH SCHOOL

**R. R. 2, KOKOMO, INDIANA
PRESENTS THEIR**

1957 PANORAMA

Remember When . . . ?

IN MEMORIAM

Wilmer W. Lindley, who passed away November 18, 1956, was planning to retire from his post as Howard County's Superintendent of Schools in August of 1957. He had served in that capacity for the past twenty years. Prior to that time, he had served as principal at New London and Russiaville schools, as Coach at Kokomo, and had taught in several other schools. Altogether, he had served fifty years in the field of public school teaching in Indiana. He was well known as a teacher and friend to many of the parents and friends of the Clay-Ervin-Howard Corporation.

"He has achieved success who has lived well, laughed often and loved much; who has enjoyed the trust of pure women, the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given them the best he had; whose life was an inspiration; whose memory a benediction."

PRINCIPAL'S MESSAGE

The Class of 1957 entered school a few days after the first atomic bomb was dropped on the people of Japan. The past decade has witnessed a world changing so rapidly in so many different ways that man has been hard pressed to remain in focus as a part of the over-all picture. My wish is that the faculty and administration of Northwestern High School, the associations with fellow students, and the part that you have played in the activities of the community and of the school will have, in some small way, helped you to prepare for life in this fast moving society.

Competition is keen; learning must not cease with graduation; grasp each opportunity as it appears, and you will be able to contribute to the culture of your generation. Congratulations on your Yearbook and your graduation!

George R. Davis

HURRY! HURRY! HURRY!

The busses only wait until 3:15, and we don't want to walk home. A special seat on the bus, a band instrument to be picked up, candy or coke picked up to be eaten on the way home, or a friend changing locks on your locker all contribute to the general confusion after the 3:10 bell rings.

When the house of the Freshman Quillen twins was destroyed by fire, many students responded when the Christian Service Club suggested a plan of helping.

The 30 blended voices of the Freshman Girls' Glee Club, a new music organization, performed at the first P.T.A. meeting, as well as the annual Christmas Choral Concert.

Center: In addition to taking care of class business, Freshman Class meetings also help teach parliamentary procedures.

Bottom: Future Freshmen from Ervin (left) and Howard (right) are preparing for their high school "daze."

TRACK 1956

Northwestern's track team of 1956 ran in a total of 11 meets. These included the Bordenman Relays, Tri-County Conference, County, and Sectional meets. The team won five regular season meets and lost two. They won the county, placed second in the Conference meet, third in Bordenman Relays, and sixth in the Sectional. Danny Sewell and Eugene Lausch participated in the Regional track meet at Fort Wayne. Danny Sewell also was high point winner at the County meet and received a traveling trophy. Our track team enjoyed one of its better seasons in 1956 and has hopes of better to come with a new track on its way to completion.

The track record pictured at left was contributed by the "N" Club. It was installed on the east wall of our new gymnasium.
